DRISCOLL LANE POND NO MORE

A small pond formed in a gravel pit which dates back to a period of 1910 on the original Hammond property was recently the scene of an accident, when 6-year old Harvey Suzuki fell in on Sunday, January 21st. The youngster and others of the neighborhood and many from other neighborhoods had enjoyed skating on the pond this winter as have kids over the past 70 years since the pit was dug and filled with surface water. Fisher and Rocha, owners of the property, heard

of the accident on Monday and immediately arranged for Pallatrone and Gingras to switch all of their equipment to the task of filling the pit. The job was started about 1 P.M. on Monday, January 22nd, and completed Tuesday. Mr. Rocha said that the pond usually had only about 2 feet of water in it but that the record rain of this season had filled it to a depth of 4 feet and more in other places. He said that the neighborhood had always enjoyed the skating and that he often brought his own children there to skate. Hearing of the accident, Mr. Fisher and he decided to fill the area immediately and did so. A second pit behind this is still present but is much smaller and not suitable for skating so that the children have not played near it. Mr. Rocha said that this pit also will be filled at a future date.

improvement. The general consensus was
that the money be spent upon a project
which would benefit the town as a whole.
The Board of Selectmen decided that the
Mattapoisett Finance Committee should
make the decision as to the best use of
the funds and will pass the suggestions
on to that committee.

A delegation from Driscoll Lane met with
Selectmen to bring complaints about drain-
age problems in that development and about
a small pond formed from water gathered
in a pit where sand was removed. The
Selectmen sought an opinion from Town
Counsel Leonard Perry on the matter as
to the town's responsibility and freedom
of action. The Town Counsel advised the
Selectmen that the town has no responsibility
on private property and therefore can take
no action. He said that residents may
initiate civil action on their own if they
so desire.

Selectmen have reviewed a proposed
draft of a Cable TV contract, approved it
and sent it to Town Counsel Leonard Perry.
After all of these preliminaries are ap-
proved the town must still negotiate with

Selectmen received a letter from Mrs. Robert Silveira who works for the School Department. She inquired as to possible conflict of interest because her husband, Robert A. Silveira, is running for a seat on the Mattapoisett School Committee. Town Counsel Leonard Perry's opinion is that there would be no conflict of interest except that portion of the budget which involved Mrs. Silveira, and that there would be no impediment to Mr. Silveira serving on the School Committee in action on all other budgetary matters should he win the election.

plugging has caused several washouts at the Beach in recent rainstorms. The photo right shows the drain and the straight route which was proposed, accepted, reconsidered and turned down by the Town Meeting of 1961. The approximate 120 feet extension would have made the drain into a near straight run and would have emptied the drain water in the deeper water on the west side of the wharf, thereby separating the Town Beach from discolored water and possible pollution. Instead, the Town reconsidered this solution and reversed it. The solution was to place boulders to mark the unsafe limits of the water which empties from the drain into the beach at about the low water mark.

The cost to have changed the flow of the drain in 1961 would have been \$6,775.00 and leads one to wonder if this present problem would have been solved at the same time and prevented all of the expensive repair to the town beach by washout at the same time that it would have solved the problem of contamination of the beach water.

ANNOUNCEMENT

I, David N. Haley, will not be a candidate for re-election to the office of Selectman of the Town of Mattapoisett in the upcoming election.

Having served as Selectman for the past nine years, and having devoted a lot of time and work to the Town to insure good Town Government for all, I am concerned about my replacement. For that reason, I am supporting BILL HUBBARD.

I feel confident Bill will devote himself to the job and is well qualified for the position.

He is the best man to work for the continued improvement of Town Government and the needs of its citizens.

I and my family will be supporting BILL HUBBARD and invite all who have supported me in the past to join with us to elect BILL HUBBARD selectman.

Thank you

LETTER TO THE PRESTO

We wish to take this opportunity to thank the many interested citizens of Mattapoissett who were willing to help us during our long fight to eliminate dangerous water holes in the Driscoll Lane sub-division area.

We had desperately hoped that the problem would be eliminated after last Sunday's near-fatal accident. After a long session with town officials, we have been notified that the town of Mattapoissett does not have the legal right to stop our contractor from forcing his serious water problems from one area to another. That is what has happened in the Driscoll Lane area.

A Drop in The Budget?

Editorial, D.C.J.

The finance committees of Mattapoisett, Marion and Rochester have the backing and the grateful thanks of homeowners in the three towns for stepping into a vacuum to represent the interest of the taxpaying public. The unanimous recommendation by the three finance committees for budget cuts of \$202,000. represent the first major effort to pare the Regional School budget to a realistic level. Thoughtful citizens of all three towns have looked upon the soaring budgets of the Region with grave concern.

Experimental programs in the school system of doubtful value surely have added to the costs. A December 27th column by James J. Kilpatrick in the New Bedford Standard-Times reported on the results of a study by the Ford Foundation entitled, "A Foundation Goes to School". This study cost 30 million dollars for 25 projects in 22 states. It included "team teaching",

flexible group learning, dependence on projector, tape recorders and all manner of electronic teaching equipment. The conclusion of this study was that the sophisticated devices tended to be extraordinary in expense and interest in them swiftly waned. The new teaching methods were, in the main, flops. Discipline got out of hand. The innovative teaching result was "the perceived erosion of academic standards".

This Ford Foundation study seemed to cover the same territory that the Old Rochester Regional School system is now setting out to explore. The new Junior High is set up for team teaching, the self-motivated Bent Twig has been incorporated in the system, substantial expenditures for audio visual equipment and electronic aids are included in every budget. The computer, which is a large expense, is available to a few. All of these gadgets and many of the innovative methods may well be an expensive experiment that will result in disappointment. The fact is that three relatively small towns cannot bear the cost of experimental programs and equipment of great cost and doubtful value. The doubling of the operating cost of the Region in 5 years presents a danger to the financial stability of the towns and the finance committees of these towns, manned by businessmen and financial men, know that this unrestricted increase in the cost of education cannot continue. Few people will dispute this contention. Many will be grateful for our finance committees' responsible action and look forward to a responsive reaction.

The January meeting of the Mattapoisett Woman's Club was held last Thursday at 2 P.M. at the Congregational Church Parish Hall. Mrs. Philip Murray, president, welcomed guests and there was a reception line for new members. The invocation was read by Mrs. Albert Norlander followed by the Pledge of Allegiance. The secretary, Mrs. William Betts, read the minutes of the previous meeting. The treasurer's report was read by Mrs. Joseph Holt, and Mrs. Bruce Bedford read the correspondence. Federation Secretary Mrs. John R. Moynihan announced that the Mid-Winter meeting would be held January 30th at 10:15 A.M. at the Sheraton Hotel in Boston. The highlight will be Mrs. William Doyle Rickerhouse talking on "See the Women". Mrs. Moynihan also re-

minded club women that reservations for the annual meeting to be held in Falmouth would have to be in by February 1st.

This year's nominating committee was appointed as follows: Mrs. Albert Funnans, chairman; Mrs. Albert Horne, Mrs. Robert Hastings, Mrs. James Hinman and Miss Dorothy Fox. There will also be a change in the by-laws in regard to dues. The committee for this is the Board of Directors, Mrs. Joseph Holt, Mrs. John R. Moynihan and Mrs. Ira Hiller.

Some very lovely paintings done by Mrs. George Eldridge were on display at the back of the hall.

Mrs. Ina Downs Hopkins, guest speaker for the day, gave a very interesting talk on the law. She was both humorous and enlightening on many matters. Mrs. Hopkins cited many different types of court cases and their outcome, and also talked about having property in more than one state.

The tea table was adorned with a lovely centerpiece of yellow flowers. Refreshments were served by Mrs. George E. Sylvia and her committee.

Art Center Activities

The Marion Art Center has arranged its schedule for art classes. Joe Alexander is instructing on Tuesday evenings for 8 weeks, which started January 23rd. Art classes for children of 6 to 12 years are being held on Saturday mornings. Two senior art majors from SMU, Dominic Cimino and Jenny Robik, are instructors.

The artists' workshop will continue to meet at 7:30 on Wednesday evenings for life drawing. Only experienced artists are invited to join. For registration or information on any of these classes, please call the Art Center, 748-1266, or Wendy

Bidstrup, 748-1035.

Senior Citizens Club

The Senior Citizens Club of Mattapoisett held a fun meeting Monday, January 22nd, at the American Legion Hall. It was fairly well attended and all seemed to have fun and pleasure.

The next business meeting will be at 2:00 P.M. Monday, February 12th, at the Legion Hall. Please do attend.

Plans for the Spring Arts, Crafts and Hobby Show and Mini-Flea Mart are shaping up very nicely. The hall has been donated and reserved for this event. Get prepared! Watch for announcement as to when and where to make application for space. There is time for thought on how you will participate: as an exhibitor or volunteer to help. Food will be sold at a snack bar. Cakes and goodies will also be sold. The Senior Citizens can use help in this venture. You do not have to qualify as a Senior Citizen to help.

Mr. Daniel Chen, who is a qualified accountant and formerly with a tax preparing company, has offered his services free to the senior citizens of Mattapoisett to assist and prepare their federal and state tax reports. Mr. Chen will be at the Town Hall Tuesday and Thursday from 9:30 A.M. to 12 noon and 1:00 to 4 P.M. beginning this week. The officials of the Town Hall have allocated space for this service. It is very kind of Mr. Chen to be so generous with his time to help our senior citizens. Please be responsive to his offer.

"Art, Dutch and Italian Schools" will be the subject of Mrs. John F. Harrington, speaker for Wednesday's Weekly Luncheon at 12:15 P.M. February 7th, at the New Bedford YWCA. Interested in art as a hobby since she was 18 years old, Mrs. Harrington has collected many slides from various parts of the world, and will show a representative number following the luncheon available at 11:45 A.M. in the dining room and open to the public without reservations.

Single, widowed or divorced persons, men and women, are invited to inquire about the program offered by the Single Wheels, whose next meeting will be held at the YWCA on Tuesday, February 13th. Following the business session at 7:30 P.M. the group will enjoy a chicken dinner at the Y and then go to the Skipper for social dancing.

LETTER TO THE EDITOR

PETITIONS BEING CIRCULATED

On July 18, 1972, a petition signed by approximately 150 voters, was presented to our Selectmen. The petition in part called for the incorporation of the violation ticket system into our restraining law.

This system does not permit the impounding of a dog, but the real violator, THE OWNER, is fined according to each offense. (Note "Standard-Times" article of that week: "Mattapoisett Selectmen", etc.).

Since the sponsors of this petition were not advised that no action had been, or could be taken, and that this matter would not appear as an article in the annual Town Warrant, new petitions are being circulated.

If you are interested in signing and have not been able to, contact Bev Klinka, 1 Homestead Court.

NEW PROGRAMS AT YMCA

Mattapoisett residents are taking advantage of the many new programs offered at the New Bedford YMCA. Physical fitness classes for men and for women are proving very popular. A new series of pre-school classes for boys and girls age two through five will start the week of January 29th. Judo classes for women and golf classes for both men and women are two of the new programs now on the Y horizon. The father and son recreational activities

Many programs are available for men, women, boys and girls, and Mattapoisett residents are invited to stop in at the Y and look the facilities and programs over.

SCHOLARSHIPS OFFERED

It is the goal of the Massachusetts State Federation of Women's Clubs to involve all clubs in some form of scholarship aid and to educate the public about available scholarships. Clubs make an important contribution through their scholarship grants or loans which provide higher education or specific training for students.

Scholarships available are as follows: art scholarships of \$350.00 to be awarded; two international affairs scholarships for study abroad; one scholarship for graduate study in speech therapy or remedial reading; three scholarships, \$2500.00 each, offered for graduate study in music, sociology or library science; at least 3 competitive music scholarships will be given.

The following schools offer scholarships in the name of the Massachusetts State Federation of Women's Clubs: Endicott Junior College, Fisher Junior College, Gar-

Long Agony Ends

Editorial, D.C.J.

Saturday night the bells rang but there
was no joy in it. Rather it was the pulling
of a rotten tooth that had given pain of un-
bearable intensity. The relief was over-
shadowed by our loss.

Twice, since World War II, we have been
led into Asian conflict by Presidential
miscalculation. Both times, we have
fought an undeclared war with our mili-
tary forces shackled to unrealistic limi-
tations which forbade them to successfully
wage battle into the territory of the enemy
which is the only way war can be won.
We have suffered staggering losses under
this system of undeclared war by Presi-
dential edict. This Vietnam action has
rocked the United States to its foundations
because of the senseless sacrifice of
young Americans forced to fight a war of
attrition with Asians who value life little.
To trade American casualty for Asian is as
unrealistic as it is immoral. Even if we
disregard morality, we simply do not have
the bodies.

The cease fire may lead to a "generation
of peace" but should this happen it will
surely astound the world. It may lead to
peace in Vietnam and this will be equally

astonishing. I think we all hope with all our hearts that this halt will outlast the time required to pull our prisoners of war out of the clutches of an enemy newly become so respectable in our leaders' eyes that the President proposes to spend 7 1/2 billion dollars on rebuilding their country.

The cost of this "police action" is so immense that no value can be obtained to justify it. However, if two things happen in its wake then some of this experience may have been of some value. First, Congress should strip the Presidency of the extraordinary power given, which allowed the movement of men into battle for long periods in great numbers without the consent of Congress. Secondly, Congress should deny the President the power, if he has it, of committing billions of American tax dollars to be given to any foreign country for any reason whatsoever. Any such power should rest solely with Con-

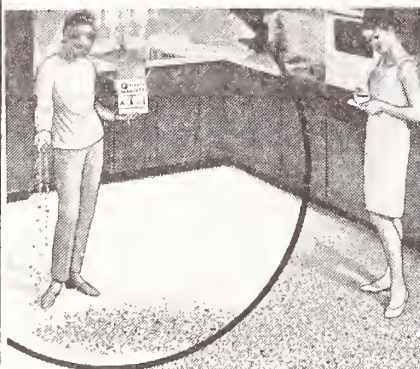

gress and should be limited severely. The bitter lesson of Vietnam where we denied our fighting men the freedom to succeed and now send massive aid and comfort to their undefeated foe should never be repeated.

Kindergarten Needs

"VOLUNTEER KINDERGARTEN MOTHERS"

Recently a group of mothers met together to form an organization called the "Volunteer Kindergarten Mothers". We have just begun to work on our goal of creating the best possible learning environment for our five year olds at Center School. Already the response to our concerns has been tremendous.

We have volunteered our time as classroom aides to help the kindergarten teachers. We hope to have involved enough people so that we shall have at least one aide at every session of kindergarten until the close of school.

Our concern revealed a shortage of equipment and a low budget to remedy this situation. The kindergarten classes have a

GRANGE TO MEET

Mattapoisett Grange will hold its bi-monthly meeting this Thursday night, February 1st, in the Grange Hall. The lecturer's program will be in charge of the worthy master Mark Harris who will conduct a "Display your Creations". Members are asked to bring in pipe cleaners, straws and scissors to work with. The social hour will be in charge of Kathy Buckley.

World Day of Prayer

As March 2nd dawns in 1973, prayers begin in the Fiji Islands, and as it ends, those on Savoonga Island off the west coast of Alaska will still be praying. What sets the World Day of Prayer apart as something quite special is the feeling that we are bonded together in an ecumenical movement - Church Women United. Because of these considerations, the theme "Alert in our Time" is one that

sums up the aspirations of members of the Women's Committee of the National Council of Churches of New Zealand, who composed the services, and is being sponsored by the International Committee for the World Day of Prayer. As members of the human family we need to be awake to God's call to us and to be alert to the needs of people here and everywhere. People in 168 countries will take time out of their busy days to pray some of the same prayers that we here in Marion will say. We must be alert and ready to hear what God is saying to His world today. There is power here -- both the power of prayer and the power of fellowship. Please, join us at your Host Church for '73 - St. Rita's at 7:30 in the evening.

English Fog

FINE MIST SPRAYER

ONLY \$2.50

When we first saw
this, we asked-
What is it? A
customer bought
one and came
back for more...

She started using it on the
house plants—they got greener,
healthier. She uses one in the
laundry, because she says it
does a better job than a spray
iron. She even uses it when
cleaning windows—cuts out
paying all that money for aero-
sol sprays. She told me the
other night that the "English
Fog" mist-er kept cut flowers
alive longer.

Just fill container with liquid,
press plunger lightly with
thumb—out comes fine "Eng-
lish Fog" mist. 3½" in diam-
eter—5½" high—takes no more
room than a tea cup. Solid
brass. Lacquered. Makes a
great gift for a house
